15-16 March 2019

Auditorium "Georgios V. Apostolopoulos"
Athens Medical Center,
Kefalari, Athens

EVENT PROGRAM

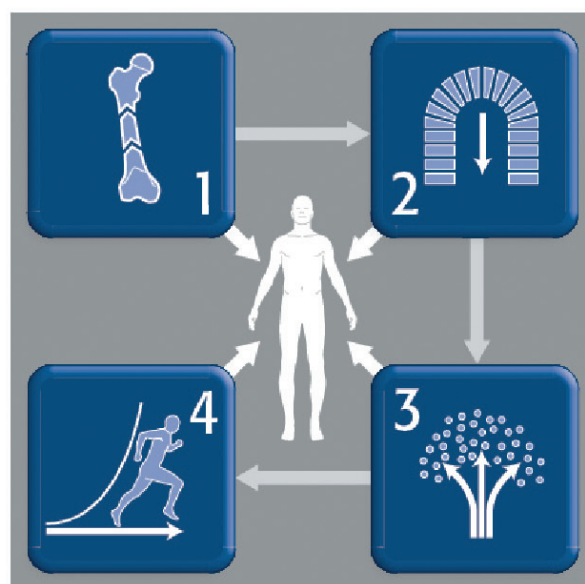

Value statement

AOTrauma is committed to improve patient care outcomes through the highest quality education. We strive to combine the right knowledge and surgical skills that empower the orthopedic and trauma surgeons to put theory into practice and to improve fracture management for the benefit of the patient.

The AO principles of fracture management

Fracture reduction and fixation to restore anatomical relationships.

Early and safe mobilization and rehabilitation of the injured part and the patient as a whole.

Fracture fixation providing absolute or relative stability, as required by the "personality" of the fracture, the patient, and the injury.

Preservation of the blood supply to soft tissues and bone by gentle reduction techniques and careful handling.

Welcome

Dear AOTrauma course participant

We are honored to welcome you to the AOTrauma Masters Seminar – Upper Extremity, Shoulder and Elbow. We hope you will enjoy your seminar and the entire experience.

What is AOTrauma? We are a “clinical division”—a community for trauma and orthopedics within the AO Foundation. As a clinical division we aim to integrate and align applied and clinical research, education, and community development functions into one direction—AOTrauma for the benefit of our members, stakeholders, and patients.

How can AOTrauma benefit you? By working as a single team we focus and leverage our resources, expertise, and skills to create and deliver new and greater value to our members.

What does this mean in education? AOTrauma is committed to providing you the best possible educational experience by continuously embracing and introducing new educational techniques to help you learn and more effectively implement your knowledge for the benefit of your patients.

Why join AOTrauma? Joining AOTrauma means you are part of the trauma and orthopedic community within the AO. AOTrauma will help you develop lifelong friendships and relationships. We will help you access our “knowledge network” and take part in new opportunities that advance trauma care.

Yours sincerely,

Wa'el Taha
Chairperson AOTrauma
Education Commission

Kodi Kojima
Chairperson AOTrauma
International Board

PS: Your experiences with us, over the next few days, will result in the realization of new and meaningful knowledge, skills, and understanding that we hope will translate into improved patient care.

Chairpersons

Chairman: Christos Sinopidis

Orthopaedic Consultant,
A' Orthopaedic Department,
Aristotle University of Thessaloniki
Thessaloniki, Greece

Co-chairman: Minos Tyllianakis

Professor and Chairman
Orthopaedic Department, Patras University
Patras-Rion, Greece

National Faculty

Ioannis Ferousis, Orthopedics Dept', Asklepieion Voulas Hospital, Athens, Greece

Nikolaos Giotakis, Royal Liverpool University Hospital, United Kingdom

Panagiotis Givissis, A' Orthopedic Dept., Aristotle University of Thessaloniki, Greece

Ioannis Gliatis, Orthopedic Clinic, University of Patras, Greece

Zinon Kokkalis, Orthopedic Surgery, Medical School, University of Patras, Greece

Alexandros Kyriakos, Bone and Joint Center, Rhodes, Greece

Andreas Panagopoulos, Orthopedic Clinic, University of Patras, Greece

Olga Savvidou, Attikon University Hospital, Attica, Greece

Panagiotis Stavlas, Orthopedics Dept., "Thriassion" General Hospital, Elefsina, Attica, Greece

Notes

Friday, 15 March 2019

TIME	AGENDA	WHO
Module 1	Fractures of the clavicle and scapula	Moderator: M. Tyllianakis
08.50 - 09.00	Welcome & course overview	C. Sinopidis & M. Tyllianakis
09.00 - 09.20	Current Concepts on Clavicular fractures Lecture	P. Stavlas
09.20 - 09.40	Acromioclavicular joint injuries Lecture	A. Kyriakos
09.40 - 10.00	Complex Injuries of the scapula & Flail shoulder Lecture J	J. Gliatis
10.00 - 10.15	Discussion	
10.15 - 11.15	Small Group Discussion 1 Scapular and clavicle injuries	Group 1: J. Gliatis – A. Kyriakos – Z.Kokkalis Group 2: P. Givissis – A. Panagopoulos – P. Stavlas
11.15 - 11.45	Coffee Break	
Module 2	Fractures of the proximal humerus	Moderator: C. Sinopidis
11.45 - 12.00	Decision making-operative vs non operative treatment Lecture	A. Panagopoulos
12.00 - 12.15	Decision making- salvage vs arthroplasty Lecture	Z. Kokkalis
12.15 - 12.30	Malunions of the proximal humerus Lecture	A. Kyriakos
12.30 - 12.45	Dealing with complications after proximal humeral fixation Lecture	J. Ferousis
12.45 - 13.00	Discussion	
13.00 - 14.00	Small Group Discussion 2 Proximal humeral fractures	Group 1: A. Kyriakos – Z. Kokkalis – J. Ferousis Group 2: A. Panagopoulos – P. Stavlas – O. Savvidou
14.00 - 15.00	Lunch break	
Module 3	Fractures of the humeral shaft	Moderator: O. Savvidou
15.00 - 15.20	Current concepts on humeral shaft fractures and non unions Lecture	A. Panagopoulos
15.20 - 15.40	External fixation is there a place? Lecture	N. Giotakis
15.40 - 16.00	Post surgical non-union of the humeral shaft Lecture	P. Givissis
16.00 - 16.30	Discussion	
Module 4	Difficult cases/ Panel Discussion	Moderator: J Gliatis
16.30 - 17.30	Clavicle ACJ and scapula All Faculty	
17.30	Closing and summary	

Saturday, 16 March 2019

TIME	AGENDA	WHO
Module 5	Complications/shoulder and humerus	Moderator: A Panagopoulos
09.00 – 09.15	Infection after osteosynthesis of the humerus Lecture	N. Giotakis
09.15 – 09.30	Complications of post trauma shoulder arthroplasty Lecture	J. Ferousis
09.30 – 09.45	Shoulder stiffness Lecture	J. Gliatis
09.45 – 10.00	Plexus Injuries / Chronic pain syndrome Lecture	Z. Kokkalis
10.00 – 10.30	Discussion	
10.30 – 11.00	Panel discussion: Humeral fractures All Faculty	Moderator: A Panagopoulos
11.00 -11.30	Coffee break	
Module 6	Fractures around the elbow	Moderator: P Stavlas
11.30 – 11.45	Complex fractures of the distal humerus- fixation Lecture	Z. Kokkalis
11.45 – 12.00	Complex fractures of the distal humerus- arthroplasty Lecture	C. Sinopidis
12.00 – 12.15	Transolecranon fractures dislocations of the elbow Lecture	P. Givissis
12.15 – 12.30	Fracture dislocations & acute elbow instability Lecture	O. Savvidou
12.30 – 13.30	Small Group discussion 3: Fractures of the distal humerus and elbow dislocation	Group 1: A. Panagopoulos – P. Stavlas – O. Savvidou Group 2: A. Kyriakos – Z. Kokkalis – J. Gliatis
13.30 – 14.30	Lunch break	
Module 7	Fractures around the elbow – complications	Moderator: M. Tyllianakis
14.30 – 14.45	Failure of fixation of distal humeral fractures in the young adult. Lecture	M. Tyllianakis
14.45 – 15.00	Post traumatic stiffness of the elbow Lecture	O. Savvidou
15.00 – 15.15	Soft tissue injuries of the elbow Lecture	P. Stavlas
15.15 – 15.30	The role of external fixation for elbow injuries Lecture	N. Giotakis
15.30 – 16.00	Discussion	
16.00 – 16.30	Panel discussion: Elbow injuries All Faculty	Moderator: Z Kokkalis
16.30	Closing remarks	M. Tyllianakis & C. Sinopidis

Event organization

AOTRAUMA
Europe and Southern Africa

AOTRAUMA
Greece

AO funding sources

Unrestricted educational grants from different sources are collected and pooled together centrally by the AO Foundation. All events are planned and scheduled by local and regional AO surgeon groups based on local needs assessments. We rely on industrial/commercial partners for in-kind support to run simulations/skills training if educationally needed.

Course information and logistics

Local Organizing Office and Secretariat: Tina Fragaki - Panagiotis Magoudis

NikaiaTravel

Nikaia Travel, 221 P. Ralli, 184 50 Nikaia, Greece
Tel. +30 210 4250072-4 Fax +30 210 4250078
E-mail: info@nikaiatravel.gr

Event organization compliance

In certain countries where AO has no office but offers educational events, the AO cooperates with third party companies to conduct local organization and logistics, as well as to communicate with participants in the local language. In these cases the AO has put rules and guidelines in place (Letter of Secondment, AO Foundation—Principles of AO Educational Events) to ensure that this cooperation has no impact on the curricula, scientific program, or faculty selection.

General information

Event fee

AOTrauma Masters Seminar – Upper Extremity, Shoulder and Elbow: Euro 220.00
Included in the event fee are conference folder with documentation, coffee breaks, lunch, course certificate.

Evaluation guidelines

All AOTrauma events apply the same evaluation process, either online (pre-and post-event evaluation) or/and on-site by audience response system (ARS) or paper and pencil questionnaires. This helps AOTrauma to ensure that we continue to meet your training needs.

Intellectual property

Event materials, presentations, and case studies are the intellectual property of the event faculty. All rights are reserved. Check hazards and legal restrictions on www.aofoundation.org/legal.

Recording, photographing, or copying of lectures, practical exercises, case discussions, or any event materials is absolutely forbidden.

The AO Foundation reserves the right to film, photograph, and audio record during their events. Participants must understand that in this context they may appear in these recorded materials. The AO Foundation assumes participants agree that these recorded materials may be used for AO marketing and other purposes, and made available to the public.

No insurance

The event organization does not take out insurance to cover any individual against accidents, theft, or other risks.

Mobile phone use

Mobile phone use is not allowed in the lecture halls and in other rooms during educational activities. Please be considerate of others by turning off your mobile phone.

Event venue

Auditorium "Georgios V. Apostolopoulos"
Athens Medical Group
 1 Filadelfeos & Kefalariou Str.,
 Plateia Kefalariou, 14562, Kifisia Athens

Upcoming courses

09 – 11 May 2019	AOTrauma Course—Basic Principles of Fracture Management	Patras, Greece
15 – 16 November 2019	AOTrauma Seminar—Intraarticular fractures around the Knee and Ankle	Athens, Greece

AO Foundation - Principles of AO Educational Events

1) Academic independence

Development of all curricula, design of scientific event programs, and selection of faculty are the sole responsibilities of volunteer surgeons from the AO network. All education is planned based on needs assessment data, designed and evaluated using concepts and evidence from the most current medical education research, and involving the expertise of the AO Education Institute (www.aofoundation.org).

Industry participation is not allowed during the entire curriculum development and planning process to ensure academic independence and to keep content free from bias.

2) Compliance to accreditation and industry codes

All planning, organization, and execution of educational activities follow existing codes for accreditation of high-quality education:

- Accreditation Criteria of the Accreditation Council for Continuing Medical Education, USA (www.accme.org)
- ACCME Standards for Commercial Support: Standards to Ensure Independence in CME Activities (www.accme.org)
- Criteria for Accreditation of Live Educational Events of the European Accreditation Council for Continuing Medical Education (www.uems.eu)

Events that receive direct or indirect unrestricted educational grants or in-kind support from industry also follow the ethical codes of the medical industry, such as:

- Eucomed Guidelines on Interactions with Healthcare Professionals (www.medtecheurope.org)
- AdvaMed Code of Ethics on Interactions with Health Care Professionals (advamed.org)
- Mecomed Guidelines on Interactions with Healthcare Professionals (www.mecomed.org)

3) Branding and advertising

No industry logos or advertising (with the exception of the AO Foundation and AO Clinical Division) are permitted in the area where educational activities take place.

Sponsors providing financial or in-kind support are allowed to have a promotional booth or run activities outside the educational area with approval from the event chairperson.

4) Use of technologies and products in simulations

If case simulations are chosen as an educational method to educate skills, we only use technology approved by the AOTK System (AOTK)—a large independent group of volunteer surgeons developing and peer-reviewing new technology (more information about AOTK, its development and approval process can be found on the AO Foundation website: www.aofoundation.org).

5) Personnel

Industry staff is not allowed to interfere with the educational content or engage in educational activities during the event.
