

NEUROMONITORING & AUTOFLUORESCENCE

course
in Thyroid Surgery

SATURDAY

9TH
APRIL
2022

Under the auspices

Organizing and Scientific Committee

Kyriakos Vamvakidis

*Director, Department
of Endocrine Surgery
Henry Dunant Hospital Center*

Nikolaos Roukounakis

*Director
1st Department of Surgery
and Transplantations Center
Evangelismos General Hospital
of Athens*

Ioannis Koutelidakis

*Professor of Surgery
Aristotle University of
Thessaloniki*

Ozer Makay

*Professor of Surgery
Ege University of Izmir*

Gianlorenzo Dionigi

*Professor of Surgery
Chief of General Surgery, Head
Endocrine Surgery Section
University of Milan, Italy*

Christos Christoforides

*Deputy Director, Department
of Endocrine Surgery
Henry Dunant Hospital Center*

Ioannis Papandrikos

*Consultant, Department
of Surgery
Henry Dunant Hospital Center*

Grigorios Rombopoulos

*Endocrinologist
Chief Scientific Officer Novartis
Hellas*

With the kind sponsorship

PROGRAMM

Under the auspices

8.15	Welcome reception	
8.45	Historical background of Neuromonitoring in Thyroid surgery	Ilias Zorbas
9.00	The embryological origin of the inferior and superior laryngeal nerve.	Ioannis Papandrikos
9.15	The anatomical considerations in neuromonitoring: The anatomy of the inferior laryngeal nerve, the superior laryngeal nerve and the anatomy of the vagal nerve	Murat Ozdemir
9.30	Basic principles of Neuromonitoring	Konstantinos Nastos
9.45	Loss of signal during intraoperative neuromonitoring – LOS Type 1 and Type 2 The POLT-Study	Ioannis Koutelidakis
10.00	The importance of neuromonitoring in the safety of the non-recurrent laryngeal nerve.	Christos Christoforides
10.15	Branching of the recurrent laryngeal nerve – More a plexus than a single nerve	Ozer Makay
10.30	Live streaming of a case of total thyroidectomy using intermittent and continuous neuromonitoring and autofluorescence	Kyriakos Vamvakidis
Coordinators • Operating room: I. Koutelidakis • Conference hall: N. Roukounakis • Commentators: Gianlorenzo Dionigi and Ozer Makay		
12.00	Coffee Break	

With the kind sponsorship

12.30	Continuous Neuromonitoring – advantages and limitations	Gianlorenzo Dionigi
13.00	Intraoperative neuromonitoring during the endoscopic transoral thyroidectomy – vestibular approach. Is it feasible? Are there any limitations?	Yigit Turk
13.15	The use of autofluorescence in the prevention of hypoparathyroidism after thyroid surgery	Sophocles Lanitis
13.45	Preliminary experience with the introduction of autofluorescence and ICG in thyroid surgery in the Ege University.	Mehmet Avci
14.00	The PARFLU-Study	Gerasimos Kritikos
14.15	AF Clinical Vignettes	Gianlorenzo Dionigi
14.30	The endocrinologist's perspective of the management of thyroid surgery complications	Grigorios Rombopoulos
14.45	Lunch	
15.30	Medico-legal aspects of the use of Neuromonitoring in Thyroid Surgery	Nikolaos Roukounakis
15.45	Why Neuromonitoring – Summary	Kyriakos Vamvakidis
16.00	Discussion	
16.15	Certificates of attendance - Photos

SPEAKERS

Under the auspices

Gianlorenzo Dionigi

Professor of Surgery

Chief of General Surgery, Head Endocrine
Surgery Section University of Milan, Italy

Ilias Zorbas

Consultant, Department of Surgery

Henry Dunant Hospital Center

Ioannis Papandrikos

Consultant, Department of Surgery

Henry Dunant Hospital Center

Murat Ozdemir

Associate Professor of Surgery

Ege University of Izmir

Konstantinos Nastos

Assistant Professor of Surgery

National and Kapodistrian
University of Athens

Ioannis Koutelidakis

Professor of Surgery

Aristotle University of Thessaloniki

Christos Christoforides

*Deputy Director, Department
of Endocrine Surgery*

Henry Dunant Hospital Center

Ozer Makay

Professor of Surgery

Ege University of Izmir

Yigit Turk

Assistant Professor of Surgery

Ege University of Izmir

Sophocles Lanitis

Consultant Surgeon

Breast, endocrine and minimal
invasive surgery, 2nd Department
of Surgery, "Korgialenio-Benakio"
Red Cross Hospital, Athens

Gerasimos Kritikos

*Consultant, Department
of Surgery*

Henry Dunant Hospital Center

Mehmet Avci

*Resident in General Surgery,
Ege University of Izmir*

Grigorios Rombopoulos

Endocrinologist

Chief Scientific Officer
Novartis Hellas

Nikolaos Roukounakis

Director

1st Department of Surgery and
Transplantations Center
Evangelismos General Hospital
of Athens

Kyriakos Vamvakidis

*Director, Department
of Endocrine Surgery*
